>> CIRCULAR

Ref. No.: GDGPS: 2018 -19/16

Dt. 19th July 2018

For classes – Nur – KG

Dear Parent,

During the last week we had great difficulties due to repeated faults in the AC circuits in Pre-Primary wing. Due to this we had to relocate our children to the area where sufficient cooling was available, keeping them closest to the washrooms, activity areas etc. This action caused some inconvenience to our children but we arranged as best as we could. I hope you would understand the situation and appreciate our efforts.

We have had to suspend our swimming classes as per the direction of the Government authorities. The delay is due to the inspection of our pool for which we have not yet been given any date. As soon as the procedure is over and we are given a clearance by the concerned authorities the classes would be resumed. Inconvenience caused is sincerely regretted.

Also, due to rampant mosquitoes in Delhi we have received an advisory from the SDMC to advise the parents to dress their children in full sleeve shirt and full length trousers etc. Therefore, you are requested to ensure that your ward is adequately dressed in School uniform. Full School Uniform trousers may be procured as per need. Similarly, girls should be properly dressed in trousers/ skirts with full length stockings. Jeans etc. would not be allowed. So, please arrange accordingly.

Regards,

Principal
